HAPPY NEW YEAR! We've been extremely happy and surprised with our winter weather this year! We've made it to January with hardly any snow! The children have been looking forward to the snow; however, it's been wonderful being able to get outside & play without it! We still need snow pants, mittens, hats, jackets, etc. everyday depending on the wind chill factor. Also, we always need an extra change of clothing or two and sneakers for gym.

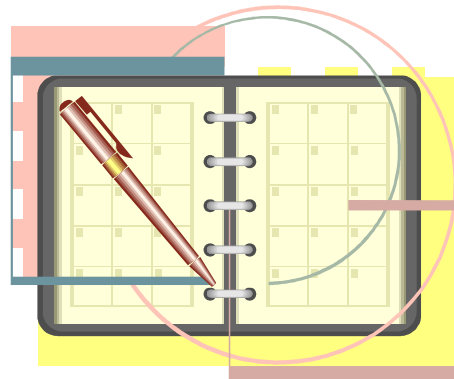

The parking lot can get icy, please, watch your step, though we try to keep the walkways as clear as possible.

If you need a statement for tax purposes for 2011, please, let us know in the RECC office.
